The North Hero House is a beautiful, intimate inn and restaurant nestled in the heart of the Champlaine Islands of Vermont, about 30 miles north of Burlington. The property has breathtaking panoramic views of the Inland Sea of Lake Champlain and the Green Mountains beyond and is home to a small marina and the Steamship Pier which serves as the island's most sought after event site. During the Inn's busy season that stretches April through November, the guests, both tourists and locals, can be found watching sailboats on the horizon, relaxing with a drink by the water, tasting the Chef's latest creations at the Steamship Pier Bar & Grill and enjoying the many amenities the North Hero House has to offer. The winter months allow for a quiet and cozy retreat for guests to enjoy a peaceful getaway in the snow-covered town to cuddle up near the fire and take in the dreamy lake views or or soak in one of the in-room Jacuzzis.

The Inn consists of 26 cozy guest rooms and private suites, an award-winning, 75-seat fine dining restaurant, a seasonal outdoor restaurant and event spaces suitable for everything from business meetings to destination weddings. The North Hero House is a stunning property and successful business and is the perfect opportunity for an owner/operator buyer.
